What is the RIO/DKV Card?

The RIO/DKV CARD is the ticket to the largest supply network in the transport sector. At over 100,000 acceptance points in more than 42 countries, RIO/DKV customers can use the RIO/DKV CARD for payment of all their vehicle-related services in Europe, while enjoying many advantages such as special conditions for repairs at MAN and SCANIA garages.

With the DKV Billing Service each DKV invoice clearly itemizes all services used, so that costs per vehicle can be conveniently and easily assigned.

Now for the fourteenth time, the DKV CARD has been selected as the Fuel Card of the Year for the commercial carriage of goods and passengers. For over 80 years, DKV has been providing a powerful fuel card for all of Europe. You too can benefit from our experience!
